

# Curriculum Overview

Subject: Games Development

Year Group: 13

BTEC Nationals in Creative Digital Media Production (Games Development Pathway). This is a two-year course that encourages you to develop skills across a range of different platforms, technologies and disciplines. You will explore industry standard software and gain insight into career opportunities available in the games and creative media industry. The course we plan is to be delivered over two years. Students are assessed, internally moderated and then moderated externally by a moderator from Pearson. The course is graded at Pass, Merit and Distinction.
